SUMMER 2015

Board of Supervisors: Edward Brensinger  
Manager: Cheri Grumbine

Richard Miller  
Chief of Police: Harold Easter

A. Bruce Sattazahn

Paving of Kimmerlings Road will continue through June, July, and August.

Updates will be posted on North Lebanon Township's website

[www.northlebanontwppa.gov](http://www.northlebanontwppa.gov) and on

North Lebanon Police Department's Facebook page.

We ask that everyone please be prepared for delays and observe signs, flaggers, and workers on the road. Help keep our workers safe!

Along with the Paving Project equipment - mowing equipment will be moving throughout the Twp. Please do **NOT** attempt to approach or overtake the operator in the Township equipment as it could result in a serious accident.

Just a reminder to residents, when mowing your lawn DO NOT DISPOSE of grass clippings in nearby water ways, trenches, or blow them in to the street. All this does is encourage the growth of algae in local streams which depletes the oxygen in the water and impacts fish and other aquatic species. If you choose not to leave your clippings on your lawn, compost them or bring them to NLT Yardwaste Facility. The Yardwaste Facility fee is \$35 a year.

## Recycling in NLT is mandated under Act 101.

### What does this mean to our residents?

All residents within the Twp. are required to recycle. All licensed haulers within the Twp. are required to pick up at least twice a month the following recyclables curbside:

- Aluminum, steel & bi-metal cans
- Clear, brown, green glass bottles and jars
- #1 thru #7 plastic bottles & jugs

For Township residents there is a newspaper recycling roll off container in front of the yardwaste gate where newspapers can be dropped off free of charge. Also, some haulers will collect newspapers. Please check with your hauler for collection schedule.

When a windy day comes along, please remember to use the water tight lid that accompanied your recycle bin and if the lid flips in blustery weather you might try putting something heavy on the lid. It is the responsibility of the owner or lessee of the property to keep all garbage, refuse, or other materials within the receptacle at all times, and such owner or lessee shall immediately clean up any garbage, refuse, or other items that are outside receptacles. Per NLT Solid Waste Ordinance, Sub Section 109, Item 7.

- Solicitation is permitted between the hours of 9am & sunset Monday thru Saturday.

Dispatch: 717-272-2054 Police Dept.: 717-273-8141

*We would like everyone to take a moment to remember our ARMED FORCES and VETERANS!!!*

## LENNI LENAPE PARK

If you have been to the park this spring, you may have noticed some new additions. NLT planted 41 dedication trees that are now available for "adoption". We offer 9 varieties of trees; Maples, Oaks, Dogwoods, and Linden. The cost is \$300 per tree. Brochures and information are available on the NLT website or at the Township's office.

Also, we have a new "Doggie Station" located near the playground area to keep our park looking great. Thank you to an anonymous party for the sponsorship of the amenity!

Don't forget that disc golf sponsorships are also available.

Naturalizing is our goal in some areas of the new park. As a result of grant money used to purchase and build this park, it can be used only for recreation. In the past, some crops were located on this former farmland. We will allow Mother Nature to take over some areas with hopes to reap the benefits of better plant and animal habitats, as well as saving fuel costs...win/win for everyone.

Stop by 723 Narrows Drive and enjoy your new park!

Note to Sewer Customers..... Sewer Bond Payments - In September, 2016, NLTMA can begin to pay ahead on the bonds. Currently, the bond is due to be paid in full in September 2035.

### SEWER BILLING DATES ARE AS FOLLOWS: February 10 May 10 August 10 November 10

If you do not receive a bill by the end of these months. Please call - 717-273-7132 **We can NOT waive late fees.**

When writing out checks please consider printing everything except your signature. Banking institutions may not accept illegible writing. Also please verify that the amount written (ex. **Thirty-Five Dollars and 00/100**) matches the cash number (ex. **\$35.00**) on check and that the check is signed. Any of these situations have the potential to make a sewer bill late and incur late charges.
